Everest Florida high school is a well known name in Nepal. Since its establishment in 2069B.S, it has shown a remarkable growth over the period of time. And, today it is one of the most distinguished educational institutions in the country. It has always been striving for quality education and stimulating students' critical thinking and heightening their moral sensitivity. It prepares students to face the tough competition posed by the fast changing external environmental of the world.

Though the courses covered are as prescribed by the NEB, the education affiliated in our delivery is unlimited. We provide a wide variety of co-curricular and extra-curricular activities. This approach of Everest Florida distinguishes it from others.

We provide the best available higher learning and all-round opportunities to all our students, invariably the best in the country, inspiring them to realize their personal talents and to expand their scholastic abilities.

Above all, Everest Florida does its best to fulfill the immediate and future needs of its commendable student community. Our institution sees it as a responsibility and resolve to equip our students with an education that is most relevant to the society and time.

On graduation from the program, students will be well prepared for the challenges and opportunities of the modern world.

Message

from Chairman

Students have high desires and expectations and so do their guardians. From the larger bundle of their desires, ambitions and expectations we can help them a lot to make them more focused, precise and goal fitted. For this we give a proper guidance and a safe environment to propel freely and achieve their goals.

Education is not simply an intellectual gymnastic but is the weapon that can enhance the quality and career of students.

The value of education should not be confined within certificate alone. It should be understood honestly at work, sincerely in relationships, responsibly for one's action and be decorated with quality leadership. One should care for resources, develop ethical values, be socially responsible, build positive attitudes be obedient & cooperative to rules & regulations.

We assure to provide prominent physical facilities and environment of teaching-learning activities. We provide rich laboratories and library, hygienic cafeteria and ample of reading materials.

This year we are raising health standards in our schooling system to avoid transmission of diseases. We will continue organizing health campaigns like free eye-checkup camps, blood donations camps and other activities to increase the health awareness of students and also to encourage them to help the society.

We, therefore, welcome all prospective parents and students to see things as said, practiced and enjoy the company of Everest Florida.

Dibyamshu Ghimire

Message

from Academic Chairman

Dear Everest Florida Family,

As a school community, we believe that children flourish in their learning and growth when parents and educators join together in a partnership that is characterized by clearly defined and shared responsibilities, open lines of communication, trust, mutual respect, and a common goal: doing what is best for the student to develop the whole child. That is why we have developed a statement of expectations and responsibilities for how we best create a learning community in which children will grow and fulfill their potential.

Guiding, teaching, mentoring and parenting children is a challenging and rewarding work. As educators and parents, we are all responsible for continuing to learn and cultivate the skills and best practices for parenting and developing our students and children.

We have set the stage for our students to flourish in a nurturing and uplifting learning community.

The work we do together as educators and parents to develop children and to do what is best for children is challenging and complex.

Sudist Kumar Sah

Message from Managing Director

I feel exultant to say that "Everest Florida" has been established as Nepal's leading institution for the 10+2 programme.

We focus on academic achievement of the highest order that is reinforced by all-round education & personality development. We feel more committed, ensuring the best possible environment including state of -the-art infrastructure for continuing the success of our students.

Everest Florida provides many facilities: The College offers a wide-ranging scholarships for deserving students. Its academic courses reflect the highest standards of teaching & learning. It imparts a big ideal education for securing successful future for every Floridian.

Our dynamic Floridian team continues to be fully committed to their institutional vision and applies themselves most diligently for manifesting the mission of the set-up. It gives me great delight to invite you all to be a special part of this admirable college.

Sharad Kumar Sundar

Message from Principal

Dear Students, Parents & Guardians,

Welcome to Everest Florida High School, a school that focuses on providing environment where students are encouraged and supported to pursue their dreams and ambitions.

We value high achievement making a positive contribution to the college, local bodies, national and international communities. We recognize the fundamental importance of the educational process helping to create global citizens who make an active and positive contribution to the nation.

We strive to ensure that every student acquires the skills, knowledge and experience that enables him/her to grow personally and professionally. We encourage students to assume responsibility and treat others with respect and dignity as we engage them in wide range of co-curricular and extra-curricular activities. Our program is known for its holistic approach to students' development that balances their academic works and extra-curricular activities.

I am confident that the concerned students will make their right choice to ensure their bright future through Everest Florida. The management remains alert round the clock to make the students feel comfortable in their studies and fulfill their academic needs as per the demand of time and context.

Bhanuhari Bhandari

Message

from Academic Director

Dear All,

Welcome to the Everest Florida School. As the Academic Director for Everest Florida School, it is a great pleasure to welcome you to our school which is located in the heart of the city. Here, every day brings new and exciting learning experiences for our students as they gain new skills and create new things together. Our commitment is to provide a safe and intellectually challenging environment that will empower students to become innovative thinkers, creative problem solvers and inspired learners, in the twenty-first century.

"When educating the minds of our youth, we must not forget to educate their hearts".

We also welcome and encourage an open and positive communication with parents, as we see them as rightful partners in education of their children.

As an educator, it's our responsibility to open their minds, raising their talents and help them reach their peak of excellence from academics to co-curricular activities.

Mukunda Prasad Paudel

Salient Features

- An excellent team of highly qualified, experienced and professional lecturers
- Pre-Medical and Pre-Engineering Classes
- Extra - curricular activities
- Facilitating students to learn in a highly disciplined environment
- Creating a student-friendly atmosphere for interactive learning
- Enhancing certain values such as diligence, self-confidence and respect for seniors
- Developing students into responsible and pragmatic citizens
- Regular assignment, e- works and regular interaction with parents
- Field visit, Report writing and Presentation, Awareness progress.
- Additional computer education
- Yoga and meditation and hiking
- Focus on cent percent results.
- Internship
- Individual attention

In last eight years time, we have more than 150 successful medical students, more than 300 engineering candidates, more than 100 in CMAT/KUMAT and more than 250 students got full scholarship in USA, UK & AUSTRALIA (They all got full scholarship)

Vision

Everest Florida values and fosters superior levels of educational participation and academic success among all students. Reaching out to and including all populations, we strive to provide an affordable and unparalleled learning experience in a supportive and caring environment.

Mission

Consistent with our Vision, Everest Florida provides educational programs and services that promote successful learning and students achievement to meet the needs of our diverse community.

The college continually strives to provide an accessible, affordable, and high quality education to all its students. The college is committed, providing an array of academic and student development services that support students' success in attaining their academic, cultural, and civic achievements.

Admission Process

Welcome!

Dear aspirant students, parents and guardians

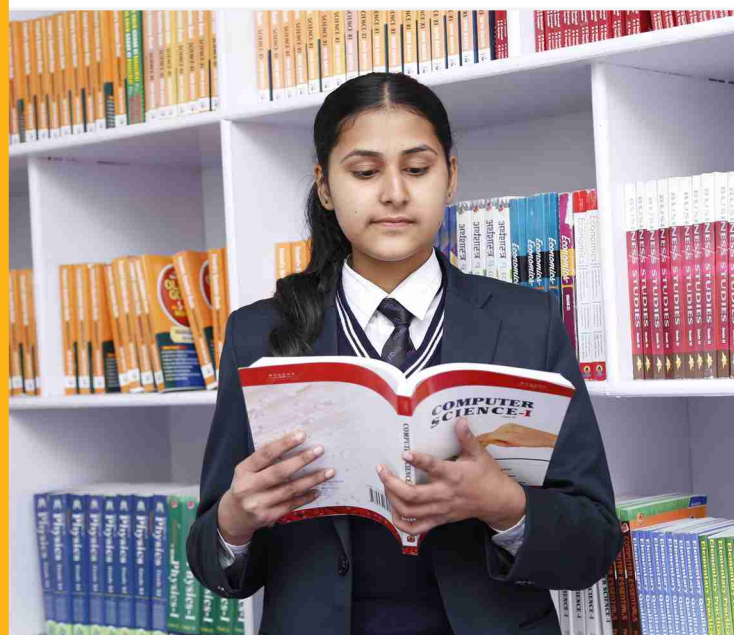

We feel delighted in your interest for considering Everest Florida for admission. As you might know, our College offers all its +2 students really fine opportunities to excel in academics and extra-curricular activities. Consequently, the Everest Florida experience is a wonderful preparation for life in the 21st century whether you live and work in Nepal or abroad.

Finding the right college is finding the right circumstances for the educational and career success of every student. This College strives to attract the best Nepalese students by way of talent, potential, energy and application.

Our admission process takes into account high school performance, individual talent or needs, and performance in our Entrance Test to ensure top quality.

Admission to Everest Florida is for those students who meet our eligibility criteria.

We shall be most happy to arrange you to start this important process of admission and follow the steps of the admission process. If you require any further assistance, please don't hesitate to get in touch with the reception or visit the college help desk.

Teaching Methodology & Assignments

Our faculties focus on participatory approach and emphasize students centered learning environment. Assignment and presentation will form a part of the teaching methodologies. The students have to work more on their own as an integral part of academic life representing a shared partnership between teachers, students and parents. We believe that education depends on more assignment & project works as an essential part of the learning process. Assignments help to develop independent study habits and teach the student to budget his/her time well.

Scholarship scheme

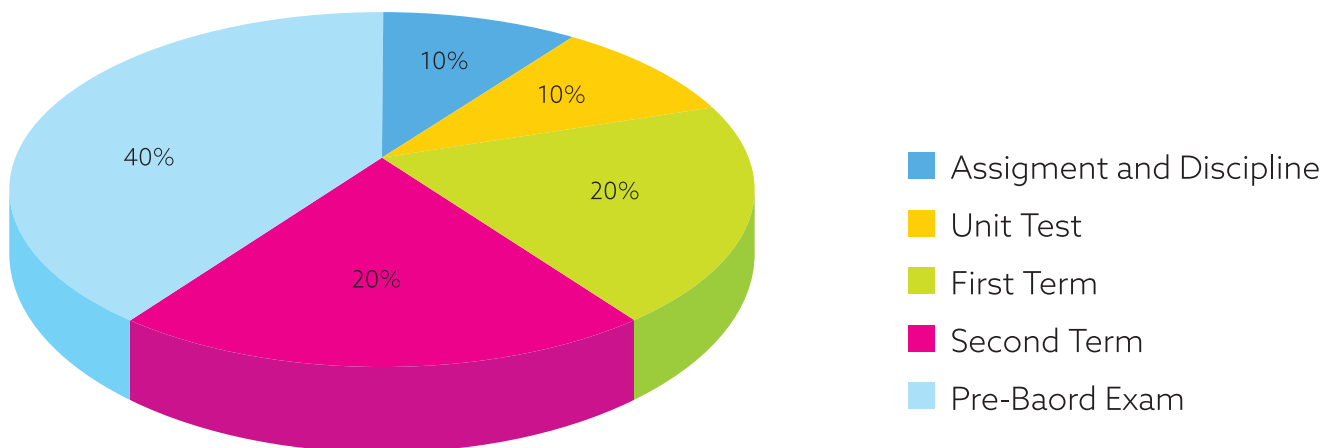

Scholarship Scheme is a special advantage for a large number of applicants. There is also a special provision of scholarship scheme to SEE Toppers, District Toppers, Players, Dalits, Janjatis, Handicapped and Remote Area students.

The scholarship is awarded only to one academic session (Grade XI), however, the candidate must attain at least 60% marks in each Terminal Examination. However, the continuation of current or higher level facility in Grade XII entirely depends on the students' performance in the Final/External Examinations of Grade XI.

The Scholarship is awarded as per the Quota System judged upon the basis of entrance examination.

Evaluation Procedure

The academic evaluation system synthesizes a continuous process of assignment. The evaluation system at Everest Florida has been designed to keep students continually informed of their performance in relation to the required standards of academic achievements. Evaluation is done with our unique system which ensures that students are prepared for success in the final exams. Everest Florida conducts the following tests and examinations in each academic year.

- **Unit Test:** Every month students have to sit for a test of the courses of related subjects taught during the same period.
- **Terminal Examination:** Two Terminal Examinations are held in each Academic Year, mostly before Dashain Vacation and before winter vacation. Time duration of this examination depends on the syllabus covered by the subject teachers.
- **Pre Board Examination:** At the end of each session Pre board examination is held following the exact NEB exam pattern. Only the students securing at least 40% marks in each subject are qualified to appear in the Board Examinations.

Progress reports of the Terminal examination and Pre Board are given to the parents/ guardians. However, the students whose academic performance is not found satisfactory and whose discipline record is found to be rather poor will be strictly penalized to bring them back on track for success in the final exams.

School Clubs

The after-school clubs of Everest Florida provides students the opportunity to acquire skills they do not ordinarily get during regular hours in school. The activities are done during after class hours throughout the year. Students can choose from a variety of options; the activity that is of special interest to them. These clubs provide excellent networking opportunities for students and a place to meet other people with similar interests and ideas, along with an opportunity for students to take on leadership roles.

Students are also encouraged to create their own clubs depending on their particular interests.

1. ARTS, SOCIAL INITIATIVES & CREATIVE WRITING CLUB
2. THEATER CLUB
3. SPORTS CLUB
4. MOVIE/VIDEO CLUB
5. MUSIC & CULTURAL CLUB
6. PHOTOGRAPHY CLUB
7. EVENT MANAGEMENT CLUB
8. PUBLIC SPEAKING CLUB
9. SCIENCE & TECHNOLOGY CLUB
10. LEO CLUB

How to be a club member ?

Being a member of these clubs is easy:

1. Each club puts up a notice in the beginning of the session for enrolling new members.
2. Interested students simply have to fill up the forms and submit it to the authorized person in the office.
3. Students would be selected after the screening of forms and a short interview.

Note: It is imperative for the club members to attend club meetings and participate and volunteer in club activities. Failing to do so will result in automatic cancellation of the club membership. A student can take up memberships of maximum three clubs in a year.

How can I start a club of my Interest ?

1. Submit a proposal of the club to the School office .
2. If the proposal is feasible, the club can be started.

LIBRARY

The college has a well set up library. There are plenty of basic text books, reference materials, magazines and newspapers made available all the times.

"It was great dilemma over the selection of the college in the valley to further my +2 studies. On choosing Everest Florida, I got the platform to explore my potential. Florida is decorated with highly dedicated, motivating and inspiring faculty members along with sound infrastructure to prepare us to compete in the academic battlefield.

-Umang Raut
MBBS, BPKIHS-Dharan-2075

When I look back, I believe that the two years that I spent at Florida college were most formative years, largely because of the strong academic environment that I experienced and the dedicated and motivating teachers who nurtured my studies. I am grateful and proud to say that I am an Everest Floridian.

-Tufail Ahmad Rabbani
MBBS, KUSMS, Dhulikhel
(full scholarship)

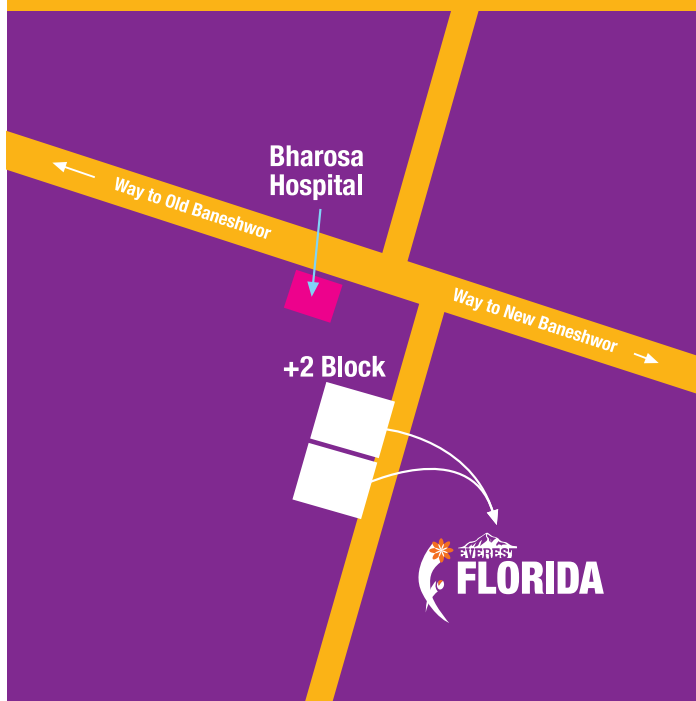

Florida has indeed helped me to explore my potentialities. I would not be who I am today without the commitment and support of the teachers and management of Everest Florida. I am lifelong indebted for their constant supervision & unflinching support that inspired and encouraged me to be the best student I could possibly be. Two years of time I spent at Florida was worthy and full of learning, accompanied by lots of extracurricular activities that enticed learning process in a fun way and not burden.

-Anjana Sharma
Gold Medalist, BA, T.U. 2075

One of the most interesting stages in life that gives you an opportunity to explore is the college phase. My experience at Everest Florida has taught me one the fundamental things of life. My days at Everest Florida are precious memories of fun, activities and enjoyment together with studies. College made me the person who I am today. I want to thank honorable teachers for showing faith in me. My biggest learning has been here at Everest Florida.
