# Message from the Chairman

**“ You can be assured that you are having real teaching learning environment and personality development.**

It gives me great pleasure to welcome you all SEE graduates and parents to Supreme Academy. For over 19 years now, SA has built a good position in teaching learning environment and personality development of students through creativity. I am sure you will feel right at home here.

We provide a unique educational experience for students by devoting all of our efforts to our strong mission and culture on a daily basis. To do that for our students. We offer an extraordinary academic and extracurricular program with high standard; we support each of our students as they work to reach the goals.

We take very seriously here about student-centred environment and academic activities. With its distinctive culture, it explores existing knowledge of management in +2 level based upon a fundamental use of a practical learning approach. Supreme specially gives attention for small group workshop mode for our students and right environment for busy practitioners to share their insights and ask questions to our students.

It is with great pride that I serve as the Chairman of Supreme Academy. I believe in the education we offer at SA, just as I believe in our faculty and our students. We emphasize the important qualities of creativity, integrity, honesty. If you want the very best for your future after +2 studies, Supreme is good choice. So that you can be assured that you are having the real teaching learning environment and personality development for future.

I welcome you warmly and you will be excited by what you see here.

Chairman  
Mr. Ram Krishna Duwal

# Message from the Principal

## Welcome to Supreme Academy !

On behalf of Supreme family, I would like to welcome you all SEE graduates to Supreme Academy who is seeking for +2 studies.

Established in 2001, Supreme is a culturally rich and diverse learning community that is committed to giving our students the skills, qualification and personal attributes they need to thrive for purposeful and fulfilling professional life beyond +2 studies.

From our dynamic teaching faculties, terrific support staffs, and dedicated students, Supreme truly is a wonderful learning community committed to educational success. As evidenced by our increasing 100% successful National Examination Board (NEB) results, recent recognition as one of the best +2 schools. You will also realise how and why we are proud of our school.

Our intent is to meet and exceed all expectations of students in affordable fees under well managed teaching learning environment. We have also managed all basic facilities needed for a student for overall development. As we continue to move forward our only request is that you join us in making a positive difference in the lives of SA students.

On a personal level, I would like to make myself available to assist in any capacity. My goal is to work with all factions of our community and insure the best possible outcome. I welcome your interest in Supreme Academy and look forward to meeting you.

Pride and excellence- always !

**Mr. Birendra Jayana**

# Message from the +2 Program Co-ordinator

I feel privileged to welcome you at Supreme Academy. Here we have energetic and experienced faculties and staffs to provide the students quality education in self-disciplined manner. At Supreme, you get an opportunity to learn actively in a collaboration way and develop attitude, skill and knowledge for oneself. Besides, you will get all facilities needed for personality development of students as well.

Student's life in Supreme happens every day given the fact that it depends largely what you make of it. At supreme Academy, there are ways, places and activities to get involved outside the classroom. Social events and club activities are as much a part of college life as academics. The college maintains a desirable balance among academic, extracurricular and social activities. Moments of celebrations for great achievements such as outstanding student's results, wining moments over rival teams and student placement are a part of happenings in the college. Seminars, presentations, talk programs and workshops are on the rise as frequently as ever.

It is ensured that every single student has an amazing college experience. Your active participation in many aspects of student life helps ensuring you graduate well educated and all rounded.

At the end, I am confident that you develop your career at Supreme Academy for your future. I will be with you all the time in Supreme.

**Mr. Udhav Karki**

## Why Supreme Academy?

- Quality education for personality development
- Highly qualified, experienced and dedicated teaching faculty
- Various extracurricular activities and social works
- Student friendly teaching learning activities
- Student's career development
- Well managed classrooms, labs and library.
- Personal attention and mentoring
- Provides need-based financial assistance to deserving students.

# Introduction

Supreme, a real place for teaching-learning activities and personality development, now known as a reputed and leading 10+2 school in sense of academic performance and personality development of students was established in 2058 B.S. (2001 A.D.), Madhyapur Thimi -6, Kamerotar. It succeed to produce the many nation builders & professionals in different service sectors and abroad as well.

Supreme always believes in its goal and achievement. It has been imparting quality education with affordable fees in management stream since 2066 B.S. (2009 A.D.). It is running under well infrastructure and facilities along with experienced faculty members. Supreme is committed to provide each of its students life time with competence that combines knowledge with the strength character. Due to this, we succeed to keep historical outstanding result in the National Examination Board (NEB) examination.

Supreme is a 'Learning Community' which encourages staff, students and past students to involve themselves fully in all aspects of college life and to identify themselves with its core values of Respect, Responsibility, Integrity, Co-opreation and Achievement. It offers high-quality care and exceptional education to the students by providing a stimulating, supportive, challenging, and integrated learning experience that sets a strong foundation.

Nowadays, it is chosen by many education professionals and also by students who want to achieve academic career in reality.

## Mission

To offer the students an educational environment that enhances learning to enlighten their minds and transform their personalities in a caring environment.

## Goal

Our main goal is 'Education For Creativity'. It believes in imparting quality education for career development and personality development of the students through advanced modern teaching and learning activities like project work, regular assessment, educational visit and practical approaches. If we unfold the history of Supreme Academy, there is outstanding result of NEB.

## Objectives

- To impart quality education in affordable fees.
- To make our students responsible and capable citizens who can cope with the challenges of the competitive world.
- To counsel for career development through academic excellence.
- To grant practical and activity based education.

# Journey of Supreme Academy

We acknowledge that the overall credit to our focused and committed students, always endeavoring to achieve excellence and not to forget the expertise and experience that our teachers bring in, leading to the learning of international standard.

Supreme Academy is one of the leading institutions for excellent academic performance which is located in Madhyapur Thimi-6, Kamerotar, Bhaktapur. It believes in imparting quality education with affordable fees to develop the students career and personality. It has already proved that it is a real place of teaching and learning activities through or excellent result in NEB. It's a platform for bright and hard working students to explore the journey of opportunities and career. Our students have got the scholarships and admission in reputed colleges in various universities all over the world. We acknowledge that the overall credit goes to our committed students for achieving excellence and not to forget the expertise and experience that our teachers bring in, leading to the learning of international standard. 'Supreme Academy is a real platform of teaching-learning activities for personality development of each students which fully supports it's valued students.

# ACADEMIC ACTIVITIES

## TERMINAL TEST

Two terminal exams will be conducted before the Pre-Board Exam. The duration of this exam will be three hours in each subject. This exam is mandatory for all students.

## ASSESSMENT & EXAMS

Supreme Academy conducts various exams and follows different evaluation systems from time to time in the academic year to measure the students performance.

## MONTHLY / WEEKLY TESTS

This test will be conducted monthly or weekly as per needed. It will help both the students and teachers understand the level of their knowledge on the portions they have completed.

## HOME ASSIGNMENT

It's a major part of teaching and learning activity for students and teachers. The college monitors whether the students have completed their home assignment or not from time to time during the academic year.

## RE-EXAMS

The students who have failed in any subjects, they need to appear in this exam. It is conducted as per needed.

## PRE-BOARD EXAMS

This exam will be held one month prior to NEB Examination. It's compulsory for all the students.

# Excellent Result in NEB

Supreme Academy has been imparting quality education with its unique foundation of learning at affordable fees. Every year it has an excellent result in NEB/HSEB with distinction and 100% successful result where the students are inspired to learn for innovation and exploration their ideas to develop their personality. They enjoy their learning in a friendly environment. It provides frequent individual counseling and guidance in their difficulties. All the students are given equal opportunities to grow themselves and the weak students are given well guidance and support whenever they need to pave their paths for better learning. The toppers are given scholarships in various categories so that they can achieve their goals. It has already proven to be one of the best schools in the nation with its excellent result. So, it is one of the best destinations for a complete management studies where the students enjoy their learning rather than bookish knowledge.

**Outstanding NEB result all the years**

# Facilities

## COMPUTER LAB

Each student gets one computer linked by internet in modern and well managed computer Lab.

## LIBRARY

Students and faculties get facilities of well equipped library. Enough text books, reports, newspapers, etc in the library support all the members of SA learning community.

# Extra Curricular Activities

Supreme Academy is a real destination of teaching and learning. Besides teaching various activities are organized from time to time like sports, educational tour, field visit, musical festival, drama show, seminar and conferences etc where the students get equal opportunities to grow and develop their personality and career. The students are matter of out pride. We give them value to explore new ideas and innovation in the journey of education.

Our Students organize various programs to make the people aware in the society line cleaning the environment, planting trees, helping needy people, interaction with public and rally etc.

Since it's inception, Supreme Academy has been working to meet the academic and intellectual aspiration of the students. As Supreme progress through its academic calendar, it prepares the students for various Co-curricular and Extra curricular activities. It is committed to providing quality education for the overall development of the students like emotional, intellectual, social and physical.

# Student Council

Supreme Academy has established a forum of students which consists of student leaders from various grades. It organizes various seminars, discussion programs, meeting, farewell and welcome program etc from time to time and also discusses on various issues raised in the institution which can help the students to solve their problems for maintaining peace and harmony. It also conducts Co-curricular and E.C.A. programs to develop the students' personality. It's fully supported by the school management to listen their voice. Really it is beneficial for all the students in the journey of education. This council fully supports the students in their difficulties and makes them feel responsibilities and duties for better learning.

# Admission process for +2

## Eligibility

Students who have passed S.L.C or equivalent examinations with minimum grade/division C (grade point 2.0) are eligible for management stream. They are required to appear in written entrance exam and interview conducted by the school. Only the selected students can get admission.

- Entrance topper
- Students having A above
- Students having B above
- NEB topper
- For needy and deserving students

# Teachers' View

Supreme Academy is one of the best 10+2 colleges in Bhaktapur which is imparting quality education for personality development of the students as per need of the nation. It's a right place for teaching and learning activities where every student is counted and give the equal opportunity to grow for their career. It's a matter of pride for me to be a member of this college.

**- Kumar Bhujel**  
Faculty of English

Supreme Academy started its journey with a vision to impart quality education to produce best skilled and knowledgeable manpower of the nation. It has highly experienced and qualified teachers who care the students. Besides teaching it has been providing various facilities like sports, well equipped lab, library, transportation, cafeteria etc. It's located in the heart of historic city, Bhaktapur.

**- Arjun Rawal**  
Faculty of Economics

Academic quality is achieved through persistent dedication to the pious objectives of teaching and learning, and this notion forms the foundation of all our activities at the institution. The main goal of Supreme Academy is to ensure the personal and professional development of the students in an educational environment which reinforces the importance of inter disciplinary course work and innovative, independent research where the students enjoy their learning with full efforts.

**- Sashikanta Jha**  
Faculty of Accountancy

## सही गन्तव्यतिर सुप्रिम...

दिनानुदिन शैक्षिक क्रियाकलापहरू परिमार्जित र व्यवस्थित बन्दै गइरहेको वर्तमान अवस्थामा शिक्षण संस्थाले उचित शैक्षिक वातावरण, शिक्षण पद्धति र आवश्यक शैक्षिक सामग्री जुटाउन सक्नुपर्छ। यसका लागि सम्बन्धित निकायका व्यवस्थापन, सञ्चालक समिति र शिक्षकबीच समन्वयी र व्यवस्थित काम गर्ने परिवेश बन्नुपर्छ। यसरी नै विविध क्षेत्रबाट आएका विद्यार्थीहरूका समान व्यवहार र संस्कार हुँदैनन्। तिनीहरूलाई शिक्षणसंस्था र शिक्षाको उद्देश्यमा ल्याउन विविध उपायहरू अपनाउनु पर्ने हुन्छ। यी सबै कुराप्रति सचेत रूपले काम गर्न लागि रहेको शिक्षण संस्था सुप्रिम एकेडेमी पनि एक हो। यसले विद्यार्थीभित्रको प्रतिभालाई उचित तरिका अपनाएर अभिव्यक्त गराउन हरेक विधिहरू यथासम्भव प्रयास गरिरहेको देखिन्छ। पढाइमात्र होइन आनीवानी र सामाजिक व्यवहारमा पनि उत्तिकै प्रगति गराउनका लागि खेलकूद, शैक्षिक भ्रमण, नेतृत्व विकासका लागि समूहगत काम पनि गराउँदै आएको छ। विद्यालयका आधारभूत आवश्यक कुराहरूमा पर्ने विद्यालय भवन, कक्षा कोठा, खेल्ने मैदान, पढ्ने पुस्तकालय, प्रयोग गर्ने कम्प्युटर र पढाउने शिक्षकहरूको उचित व्यवस्थापन गर्नसक्नु नै यसको सफल भूमिका हो। यही गतिमा अगाडि बढ्दै गएमा भक्तपुरकै राम्रो शैक्षिक संस्थाका रूपमा सुप्रिम स्थापित हुन सक्ने सम्भावना बढेको छ।

**- डिल्लीराम गौतम**  
नेपाली विभाग

I still remember the day when I entered Supreme Academy premises for the first time and I had never thought that Supreme Academy would have such profound attachment with my memories. The ever encouraging teachers of each subject, spending 2 years with classmates of section A, picnic, first stage dance performance of my life during welcome program and most importantly, making my direct way to study BBA without losing even losing a single minute, all memories are still fresh in my mind.

**Rozy Bhasink, Batch-2070/071 (BBA)**

One of the best known school quality of education of Madhyapur Thimi, Bhaktapur is Supreme Academy, Which was established in 2058 B.S., I have started my education in this school, since grade six. Seeing the quality of teachers, knowledge providing system, various facilities of equipments lab, library, class activities, extra curriculum etc. I joined this school and today I proudly can say that I'm not disappointed from this. I have achieved very good marks in S.L.C. and So further more I decided to join the same institute for same good achievement in higher studies. I again achieved good marks in +2 from here. The slogan of Supreme Academy is based "Education for Creativity", which was really proved by it. I'm very thankful for experiences and quality education and best way for my future from it.

**Pawan Rajbahak, Batch-2070/071 (CA)**

I consider myself very lucky to be a part of the Supreme family. Supreme has provided me good learning environment for quality education. I don't hesitate to say that 'I'm the student of Supreme College' which is always devoted to its students. This college not only helps in the intellectual development but also helps in personal ability of students. As far as I know about this college, is that the clear and determined minds of hardworking teachers here always tries to make us perfect and successive in every step of our life. When I entered to Supreme College from that day to till now I'm getting a lot's of love and care from it. Whatever the facilities those are required for the students in college, all are available here. In my opinion Supreme can be a complete blend for a successful and bright career.

— Rupita Subedi, Batch: 2073/74, Class: XI

## Student's

The abundance of the earth waits for you to gather it in. We have been told this by masters of every school of every century, and thus we learn from life itself. I didn't visit any colleges because I found that Supreme Academy is the best college for SLC graduate students. When I entered in Supreme College it was different because the way of teaching was different from any other colleges. The teachers are qualified, loyal and honest. I do not know how to explain what I learned, so I shall attempt no explanation perhaps Supreme Academy is the best. I feel very lucky to be a part of Supreme Academy and I can proudly say that I'm a student of Supreme Academy. What do you really want? What does everybody want? Of course, The answer is we want Supreme Academy.

**Archana Guragain, Batch 2073/74, Class: XI**

Supreme Academy is one of the best school of Bhaktapur. Every year all the students of this Academy have passed the exam with excellent result including distinction and first division. Teachers of this school is very friendly and helpful. The facilities computer lab, Library, clean drinking water, a good canteen various type of game and activities are also very good which is needed for personality development of students. I have joined this school in 2072 B.S as a student of Management. I passed with good marks and percentage in class 11 and will get good marks in class 12 as well. The slogan of supreme Academy "Education is creativity" really proved that education makes the students great person.

**Alisha Garu, Batch: 2072/73, Class XII**

Choosing college has always been a difficult task for the students. But choosing Supreme Academy as the stepping stone to my career was not that difficult. It was obvious for me to be a part of Supreme Academy as I was fascinated by its wide range of experienced and qualified teachers including all its well-equipped labs and a friendly environment which easily took my heart away. I would strongly like to recommend every SLC appeared student to once visit

Supreme Academy and enroll oneself to its outstanding academic setting and environment.  
**Sarala Shrestha, Batch: 2070/071 (BBA)**

## Voice

I have got teachers in the form of god through Supreme Academy who are very precious to me. Their every golden words will always be of great value for me in my whole life. Every Counseling of teachers have been a lesson for me. I have been able to improve my behaviours because of them. Teachers are real god for every students. You have helped many students to show off their hidden talent. You are a beautiful garden where we all students are blooming flowers and teachers are care taker of the garden. Because of the teachers, students have been able to bloom into beautiful flowers. Not only teachers but also you have given me friends as precious as diamond. I have found these diamonds being with you. Expect these friends, I always remember a person who have always helped me, who was more than friend to me. I have got lots of love from my friends and teachers and from you too.

**Muna Shrestha, Batch: 2072/73, Class: XII**

"Success of a person heavily depends on the education he/she acquires." Completing my SLC was a great relief for me, but a new tension attacked me again. It was to get admission in a good college for my excellent academic career. Then I joined Supreme. Studying in Supreme was like being in the family. The time that I spent in Supreme till now has been the most beautiful and valuable wealth in my life that will enhance my career. I am truly enjoying the friendly environment, support and encouragement, and it's innovative teaching. Inspiring, friendly and qualified teachers are helping me to reach my goal. Supreme is the one new home where students feel welcomed, safe, loved, respected, connected with a sense of well-being and belonging. This college facilitated you under warm canopy of flawless, dedicated, friendly and highly qualified faculties and ample of encouragements to grab your motto. It helps you in bringing out your hidden talents and skills. SO, if you want to reach your goal, Supreme is the perfect place for you.

**Jitesh Shrestha, Batch: 2073/74, Class: XI**

Being part of Supreme Academy, I learned about importance of friendly teaching and learning environment to the student. Supreme college of management has been able to provide highly qualified knowledge to the student. Teachers too are experienced and friendly to provide the necessary knowledge and information.

After my SLC I was confused where to study and where to not to study. But after visiting Supreme Academy my confusion was all out and I joined Supreme Academy to make my future bright. I am so thankful to Supreme Academy for providing the excellent knowledge and wish it will be providing in future too.

**Durga Sahukhala, Batch- 2072/73 (School Topper)**

My first memory of college: Motivational speech of Uddhav Karki sir with eyes full of dreams on 1st day. What Supreme has taught me:- Made me strong enough to face all the obstacles in front of me and 3D (Discipline, Decorum & Dignity) Really it has been a memorable moment for me to be acquainted with overall environment of my dream home SUPREME. Everyone knows Supreme Academy is one of the most successful residential educational institution with it's glorious history. Green and pollution free environment makes my everyday refresh and optimistic. Exceptional and motivational teachers and their continuous guidance and support is the key part of our academic excellence. It have devoted myself on learning and knowledge acquiring process on this same environment encountering myself with lots of pains contentedly since a philosopher said that 'No pains, No gains'. All the teachers have always inspired me to make a sole dream to fly and touch the moon. Eventually I have been able to attain three important element for myself i.e. life, experience and supreme god as a philosopher said "The best school is life: Teachers is experience and the best friend is Supreme God. Thanks to my pleasant home ..... SUPREME

**Pratikshya Upreti, Batch: 2073/074, Class: XI**

## Parent's Views

पढाइसँगै आनीबानीमा पनि सुधार होओस् भनेर छोरालाई यस उच्च माविमा पढाएको थिएँ । मैले चाहे अनुरूप पढाइसँगै बानी व्यवहार सुधिएकाले खुशी लागेको छ । पढाउने शिक्षक र यहाँको वातावरण उपयोगीभएर होला । पुस्तकालय पनि उपयुक्त रहेछ । कक्षाकोठाहरु पनि उज्याला र फराक रहेछन् । सुप्रिम उच्चमाविमा पढ्ने विद्यार्थीका लागि आवश्यक सबै कुराहरु देखेको छु । अब अलिकति पढाइको तह अनुस्मका अतिरिक्त क्रियाकलापहरु बढाए अझ राम्रो हुनेछ । मैले थाहा पाए अनुसार अहिलेसम्म यहाँ कोही विद्यार्थीले अनूत्तीर्ण हुनुपरेको छैन । समयसापेक्ष ज्ञान र सीप दिँदै यसरी नै यो विद्यालय अगाडि बढोस् । हामी अभिभावक यस्तै प्रगति हेर्न चाहन्छौँ ।

**कमला सङ्का**

## Alumni's Views

I am really very proud to be a member of Supreme Academy for its supports, well guidance and help to place me where I am now. It's not possible to be here now without its valuable supports.

**Alisha Bata Shrestham** Batch: 2067/068 (Bank Officer)

I am very pleased to share my feelings and views as a part of Supreme Academy. It's the best institution which guided me on the right path to build up my personality. It provides equal opportunity to the students to promote them where we can feel comfortable and secured to learn with fun. I would like to thank for its supports and help. I've learnt a lot of things at Supreme Academy which still supports me. The students explore their innovative ideas here for better promotion. It's a real here for better teaching and learning.

**Manish Shahi**, Batch: 2070/071 (BHM)

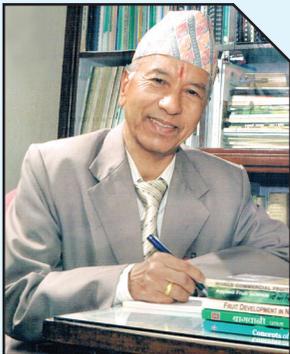

Supreme is the place where I studied 8 years. I experienced many things in this school. There are many experienced teachers, various types of facilities, extra curriculum activities, class activities, library etc. I had joined this school for becoming the good student and for maintaining my future. So, now ' am not disappointed from this school because I have got all the things for maintaining my future. I achieved very good marks in class 11 and class 12. The slogan of the Supreme Academy "a real place for teaching, learning activities and personality development" is really proved by it. So, I'm thankful to the Supreme Academy for its environment and wish for its better future.
